About Grapevine Group:

The Grapevine Group Assoc Inc is a locally-founded, community group operated by volunteers, which raises funds and awareness for suicide prevention in the Mackay region. At present, Mackay has a high suicide rate but, with your support, we believe we can become the most suicide-safe region in Australia.

Grapevine Group has operated since 2004, and is a registered charity. The group is operated by volunteers from within our community and relies on community support for its fundraising which is put back into local suicide prevention programs and initiatives. All funds raised in the Mackay region, stay in the Mackay region.

Whether it's a small donation or a big one, your contribution will make an essential difference and go a long way to making Mackay suicide-safe.

Where do the funds go?

- Providing safeTALK and ASIST suicide prevention training
- Training courses to fund more LivingWorks safeTALK trainers
- 1000s of printed Help-a-Mate Local Resource List Cards
